Cautionary Statement

FORWARD-LOOKING STATEMENTS

This presentation contains “forward-looking statements” within the meaning of Section 21E of the Securities Exchange Act of 1934 as amended. These forward-looking statements relate to Coca-Cola FEMSA, S.A. de C.V. and subsidiaries (“KOF”) and their businesses, and are based on KOF management’s current expectations regarding KOF and its businesses. Recipients are cautioned not to put undue reliance on such forward-looking statements, which are not a guarantee of performance and are subject to a number of uncertainties and other factors, many of which are outside KOF’s control, that could cause actual results of KOF and its businesses to differ materially from such statements. KOF is under no obligation, and expressly disclaims any intention or obligation, to update or alter any forward-looking statements, whether as a result of new information, future events or otherwise. The proposed transaction, the financial condition and results of the combined company will be subject to numerous risks and contingencies, including the receipt of financing and regulatory approvals, the ability to realize synergies and successfully integrate operations.

This document does not represent an offer of any securities for sale. This presentation also includes, and representatives of Coca-Cola FEMSA from time to time may refer to, un-audited pro forma financial information giving effect to the proposed business combination. However, this information is preliminary, not in accordance with generally accepted accounting principles, and not necessarily indicative of historical financial position or results if the proposed business combination had occurred or of any future financial data.

ADDITIONAL INFORMATION AND WHERE TO FIND IT

Documents filed by KOF are available at the Securities and Exchange Commission’s public reference room located at 450 Fifth Street, N.W., Washington, D.C. 20594. Investors and security holders may call the Commission at 1-800-SEC-0330 for further information on the public reference room. Free copies of all of KOF’s filings with the Commission may also be obtained by directing a request to:
